The Annual Exercises of the Carbondale High School as Arranged for This Year's Class Are of High Order and Will Be Very Interesting.

Prof. W. A. Bryden, the principal has been untiring in his efforts to secure the finest talent hereabouts to take part, while the class, as a whole, is taking an active part toward making the event a memorable one.

BODY HEAT

Reduced 20 Degrees in Summer.

Never eat heavy carbonaceous foods for the morning meal, for these foods should follow and not precede hard work.

The best morning foundation is Grape-Nuts and cream, a little fruit, a cup of Postum Food Coffee and possibly a couple of eggs prepared to suit the taste.

Particularly is this true at the present season of the year, when meat and other fatty foods increase the internal heat of the body and make the summer day still more disagreeable.

Grape-Nuts come to you from the grocer ready to serve, having been fully cooked at the factory by food experts and this saving in time and exertion is appreciated by the housewife as well as the economy, for being a concentrated food, four teaspoonfuls is sufficient for the cereal part of a meal for one person and costs only one cent.

A booklet of excellent recipes is found in each package of Grape-Nuts from which many easy and delicious warm weather dishes can be made for luncheon and supper that are not only nutritious but pleasing to the palate.

A trial of the above selection of food for ten days will prove to anyone that health and vigor, an active mind and a keen enjoyment of the pleasures of summer will take the place of poor digestion, a dull brain and that heavy dragging feeling caused by improper food during the hot weather.

SCHOLARS ON STRIKE.

They Will Not Attend the School Near White Bridge.

The school board, on its annual round of supervision of schools on Tuesday, found a perplexing state of affairs existing at No. 5 school, on Pike street.

About one-half of the registered attendants have discontinued, and the efforts of the corps to bring them in have been unavailing. The trouble is due to the fact that several children are in attendance whose relatives are non-sympathizers of the striking pupils.

FLAG RAISING BY HIGH SCHOOL SENIORS

An Enthusiastic Throng of Students Gather About the Central Building Last Evening and Proudly Float the Standard of Their Class.

The class assembled at the call of their president, Miss Murrin, about 8 o'clock, and after singing a few favorite class songs proceeded to the campus where everything was in readiness for the event. The weather was threatening but the enthusiastic student and his friends paid no attention to the frequent drizzles of rain.

The Swiftwinds, a team of gingery youths, containing such players as Monahan, McGarry, Fox and Wynn, will play the Simpson team on Duffy's field soon.

at all. He says, further, that there are no charges to be paid in advance, and hopes that no one who needs a small temporary loan will hesitate to take advantage of the company's offer because of any fear that the rates might be too high. They have been made so low that even the poorest can easily afford to get a loan.

The furniture is left with the borrower, and there is absolutely no publicity for the company realizes that that is just what the public are most anxious to avoid.

As for the payments, each borrower is permitted to say just when it would be most convenient to pay. Most of those who have taken out loans so far have preferred to pay in small monthly instalments. Some pay by the week, but in no case is the borrower compelled to pay all at once.

It will be noticed at once how much better it is to get a loan this way than by pawning things. With this plan you have the use of the goods while you also have the money.

The company intends to make loans anywhere within twenty-five miles of Scranton. All applications should be made to the Scranton Loan Guarantee Co., 207 Wyoming avenue, near Spruce street.

NORTHFIELD COMMENCEMENT.

Moody Girls Soon to be Graduated. Programme Announced. Special to the Scranton Tribune.

Northfield, Mass., June 11.—The Northfield season will be opened this year by the graduating exercises of the class of 1902 of Northfield Seminary. The programme has just been announced and will last from June 14 to 18 inclusive.

Class day takes place Saturday, at which time farewell addresses will be given by the girls. Miss Emily Proutland, a young woman from Canada, has been selected class orator. The present graduating class were the last organized school body to be intimately associated with D. L. Moody, the founder of the school, and they recently gave an evidence of their love to him and the school by having the motto which he had chosen for Northfield, painted in their class colors, on the walls of Stone Hall chapel.

Dr. C. I. Scofield, president of the Northfield Training school, and who has been lecturing this last month at Chevers and Milwaukee, will deliver the Baccalaureate sermon. The commencement address is to be given by Rev. G. Campbell Morgan of the "Northfield Extension" work. Other attractions of the commencement week are the annual sacred concert, given by the students of the seminary, the opening of "Hotel Northfield," the principal's reception, the special reunion of old students and alumnae, and the alumnae banquet. "Tree day," a pretty Northfield event, corresponding to the Westley float," was held a short time ago by the two upper classes.

A "For Rent" sign on your house will only be seen by the casual passerby. A "For Rent" ad. in THE TRIBUNE will be seen by ALL who may be contemplating a change of residence.
